

# such a simple way to drive additional support

Works seamlessly with your online donation system. No interference with your payment processing system. No transaction fee because it is not a payment platform. While on your Thank You page, your donors see a pop-up encouraging them to create a digital postcard they can instantly personalize and broadcast through Facebook, Twitter, LinkedIn, and (soon) Instagram.

## donors

see a pop-up

select an image

add their message

broadcast

## nonprofit

your images (ads) are selectable by donors

you can also add what donations make possible

your organization is prominently seen by donors and their network as they share

## turn supporters into champions for your cause

watch donations grow

And, your donors get to see all the ways they've contributed over time.

## a whole new way to grow your donations

### get started today

With a few quick easy steps, you can start growing your donations.

- 1 Sign up at [givn.social/now](http://givn.social/now)
- 2 Build your campaign
- 3 Activate plug-in

**givn** is offered as an affordable monthly subscription, based on your organization's size, starting at \$9.95/mo. always free to donors.

Need help? If you don't have a website person, we can assist. The process only takes a few minutes. Give us a call.

For more information call **1-866-522-2880 (press 1)** Monday-Friday, 8am-5pm, Pacific Time

we have plug-ins to make it even easier!  
now integrated with

## generosity spreads when shared

...almost 3X in fact. Your donors get a quick, fun, and meaningful way to tell their friends about the good you do, and why they care.
